Donation Form

The Festival of Trees event is ICM's biggest fundraiser of the year, generating support for all of ICM's programs. The event will take place Thursday, December 1st, 2022 at Hilton Houston NASA Clear Lake. Community partnership is essential to our event's success and it is our friends in the business community who supply us with exciting auction items.

We would be grateful to receive an item from your organization.

Proceeds from the Festival of Trees will benefit ICM's ongoing services which assist local families who are in an economic crisis due to issues such as illness and unemployment. Agency services include: emergency rent and utility assistance to prevent homelessness; food assistance; referral to low/no-cost medical services; and, outreach for homebound senior citizens. Each month, ICM assists approximately 300 families.
